## ABOUT ME

I'm a creative and results-driven Web Developer, Graphic Designer, and Advertiser. I design modern websites, create eye-catching visuals, and run digital campaigns that help brands grow. Passionate about turning ideas into engaging digital experiences.

## EXPERIENCE

### • Web Developer

1+ Year Experience

Developed responsive and SEO-friendly websites using modern technologies and best practices.

### • Graphic Designer

1+ Year Experience

Designed logos, social media posts, brochures, and banners with a strong focus on visual appeal and brand identity.

### • Advertiser / Digital Marketer

1+ Year Experience

Planned and executed online advertising campaigns (Google Ads, Facebook Ads), increasing reach and engagement for various brands.
